CIRCULAR

Cir. No.MM/CGM/08/Tech/2017

Dt:14.07.2017

SUB: New Tendering System – Procedure to be followed in PTE tenders – Reg.

New Tendering System has already been implemented for PTE tenders. Henceforth, all LTE tenders should also be processed under New Tendering System. For any exemption from new tendering system, approval of Director/P&P has to be obtained with proper justification.

Further, as per the existing procedure, Reverse Auction is applicable for all tenders with estimate value of Rs.5.00 Lakhs and above and with a maximum of 10 items in a tender. With regard to elimination of H1 bidder, the existing conditions are modified as follows:

- H1 bidder will be eliminated, only if the number of shortlisted / qualified bidders are more than **FOUR**.
- In case of tenders issued for procurements with more than one source clause – the H1 bidder will be eliminated, only if the number of shortlisted / qualified bidders are more than **SIX**.

All other terms and conditions remain unaltered. The above conditions have already been modified in the general terms and conditions to be attached with the enquiry.

This is issued with the approval of competent authority and comes into force with immediate effect.
