No. CGM/Thermal/Cont/2018-6

dt.19.03.2018

CIRCULAR

Sub: Thermal Units - Partnership firms participating in the Tenders.

It is noted that following clauses are stipulated in the Tenders of some of the Thermal units regarding partnership firms:

"If a partnership firm is formed newly after the issue of NIT and before tender opening and furnishes the PQ of any one of the partners of newly constituted firm for that particular tender, the offer of such firm will not be considered and will be rejected.

If a partnership firm is reconstituted by including a new partner after the issue of NIT and before tender opening and furnishes the PQ of newly inducted partner for that particular tender, the offer of such firm will not be considered and will be rejected".

In view of the Legal opinion, rulings of the Hon'ble Supreme Court and Hon'ble Competition Commission, it is decided to **remove** conditions such as the above, barring the partnership firms constituted/reconstituted after the issue of NIT and before tender opening, from participating in the Tenders of Thermal Units.

This has the approval of competent authority.
